Legend

Province: Y – province available, N – province not available

Detail: A+ – Street or Building coverage for more than 98% of the country, A – Street, Building or Block coverage for major parts of the country, B – Locality and Postal Code (where used)

Region: Geographic region. Some countries are not available individually but only as part of their "mother country". See column "part of" for this information. AF – Africa, AR – Arctic Region, CA – Central America, EA – East Asia, EE – Eastern Europe, ME – Middle East, NA – North America, OZ – Oceania, SA – South America, WA – West Asia, WE – Western Europe

Native: X – Data is available in native characters (such as Kanji in Japan) but also with accents in Belgium or Umlauts (UÄÖ) in Germany. If no native characters are available the data will contain ASCII characters only.

Update Frequency: M – Monthly, B – Bimonthly, Q – Quarterly, T – Twice a year, Y – Yearly, I – Irregular

Status:

✓ Country released,

✗ Country will become available as soon as possible

All information is subject to change without notice
